SHOCKWAVE COMMANDER **HEATED SEAT**

SW-06987

The Commander Heated Seat offers both a heated back and a heated seat cushion, ensuring the occupant really feels the warmth. The cushions will heat up to a pleasant 98°F (38°C), ensuring a comfortable trip in the winter months and shoulder seasons in northern climates.

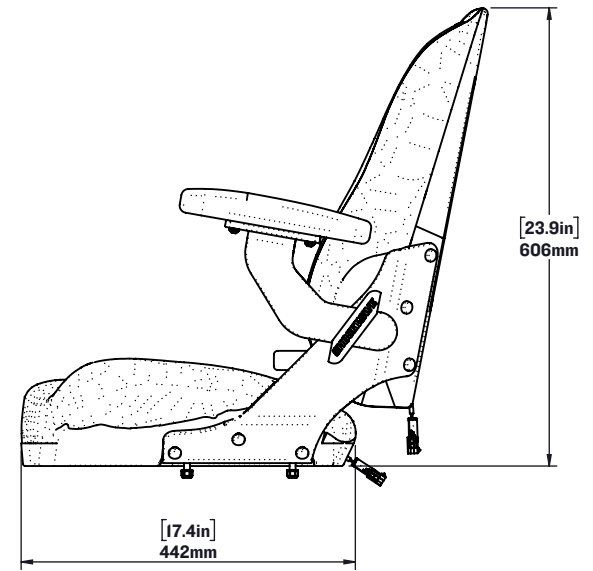

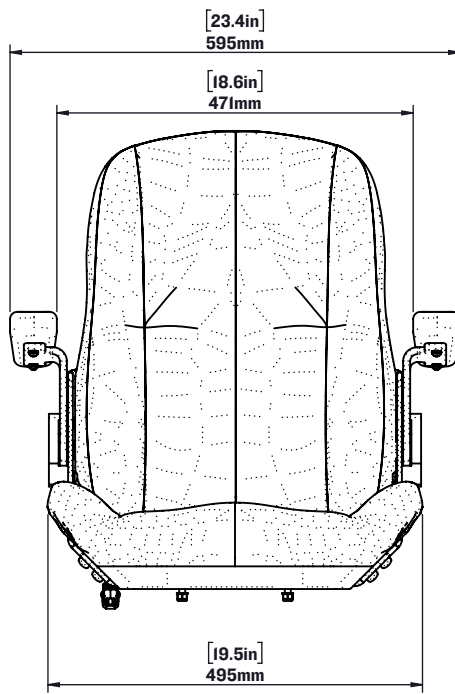

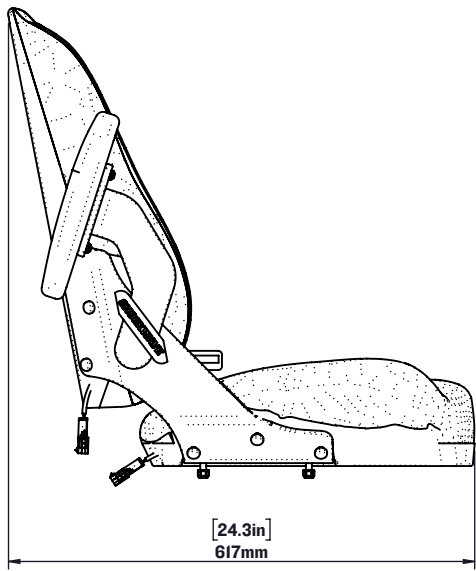

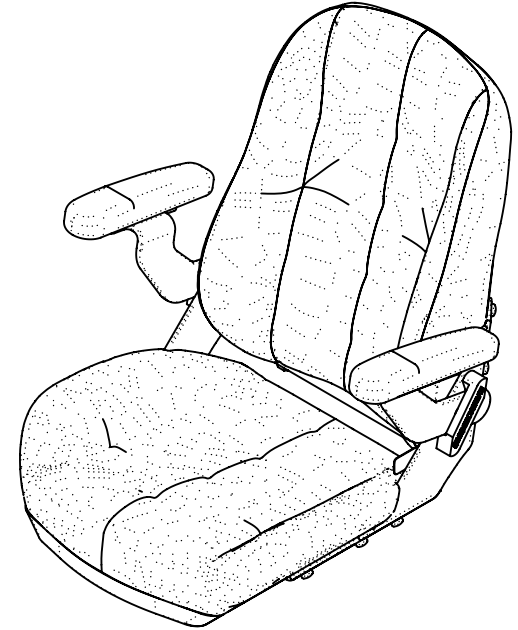

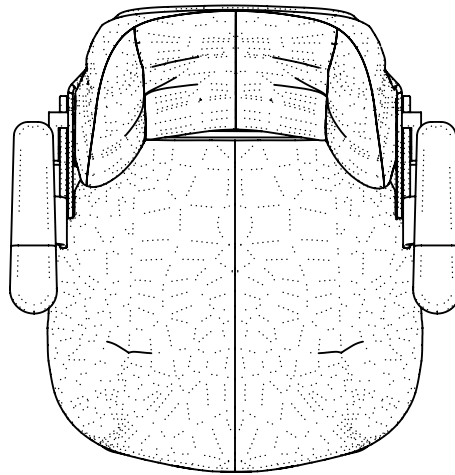

Designed to pair perfectly with the S5 and the S6 Suspension Module, the Commander Seat is a light-weight, robust seat that comes with folding armrests, a storage pocket, aluminum seat frames and fiberglass seat backs with high quality Corbin upholstery.
