

SHOCKWAVE

S2

S2 | HIGH-BACK FLIP BOLSTER SW-S2-1301

TRAVEL
6" IN

This seat offers a flip bolster, enabling occupants to sit or stand while providing superior ergonomics and performance. With its low seat mounting height, the S2 Helm Seat fits on top of seat riser-storage boxes in place of traditional truck seats.

The S2 Flip Bolster is a popular choice for cabin and T-top applications. For the helm and nav operators, the optional Fore/Aft Slide and Height Adjust ensure compliance and comfort for a full range of occupants.

Seat shown with Deck Slide, Deck Mount and Armrests.
