This industry leading S3 helm or passenger seat offers superior design while delivering comfort and safety. The sit or stand drop-down seat can be deck or bulkhead mounted. Commonly used on open RHIB boats for the most demanding sea conditions.

Optional integrated folding footrest folds automatically when drop-down seat is stowed or deployed. The bulkhead mounted S3 seat keeps the deck area below the seat free from tracks, slides, and mounts, allowing occupants to move freely around the seats without injuring exposed feet.

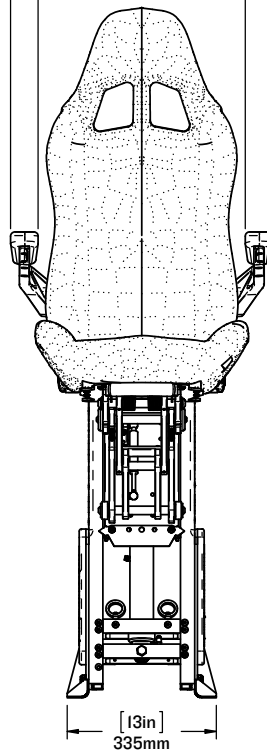

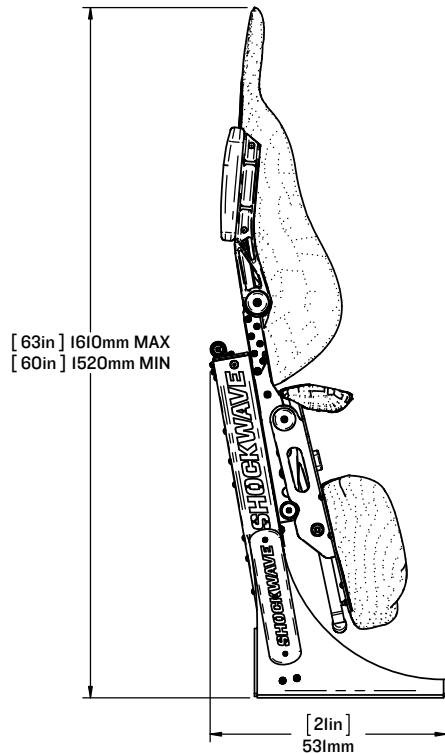

Seat shown with Folding Footrest, Armrests and Deck Mounts.
