DO YOU LIKE FAST BOATS, RACE CARS AND METAL WORK?

ASSEMBLY LABOUR WANTED!

We manufacture world class marine suspension seats used by special forces around the world. We also like to race 700hp cars in real life and on the simulators that we design and build.

This is a rare opportunity to work for a cool company without needing any previous experience. Our most senior members started this way and built their skills on the job. We provide the training; you just need to be awesome.

What we need from you:

- ✓ Safety conscious
- ✓ Pride in your work
- ✓ Willingness to work with power tools
- ✓ Good attitude and willingness to learn.

What you get from us:

- ✓ Starting wage of $22/hr
- ✓ 10hr shifts Monday-Thursday (3 day weekends!)
- ✓ Full benefits after 3 months.

What you will do here at first:

- ✓ Assemble components for seats
- ✓ Work in an indoor manufacturing facility
- ✓ Crate seats for shipping

Tell me why you are a good fit.
