

## Press Release

For Immediate Release

March 2024, Sidney BC, Canada

### **Shockwave partners with Uflex for Italy**

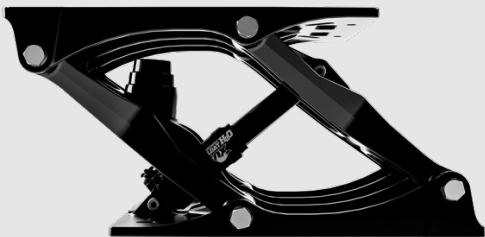

**Shockwave Seats, a Canadian-based marine suspension company revolutionizing marine shock mitigation around the globe, announces a partnership with Uflex for distribution in Italy.**

With a history going back more than 20 years, today the Shockwave is internationally recognized as setting the standard in marine suspension seating systems with their global customers including coastguard, SAR, military, commercial, and builders of high-performance leisure craft, all recognizing the value of Shockwave's superior design, high quality and extreme testing regime.

Martin Harding MD at GMA who represents Shockwave in Europe commented, "The appointment of Uflex is a major step forward in creating a European distributor network, Uflex are specialists in their field with excellent technical personnel and the perfect customer base to ensure the further exposure and growth of Shockwave sales within the Italian market."

Uflex Product Manager, Giorgio Avigdor said, "We were quick to recognize that Shockwave would be an ideal fit for our company, and we are delighted to be adding another internationally recognized, premium brand to our distribution program, we look forward to a very successful long-term partnership."

Shockwave Seats, a division of Professional Components Ltd., is a world leader in military-class marine suspension seating located in Sidney, BC, Canada. For over 20 years, Shockwave Seats has built high-quality marine products using military-grade components. Customers include recreational, and commercial builders and boaters, local, state, federal governments, and military organizations in over 30 countries globally.
