Shockwave S5-LW Suspension Base

Black: SW-05026-B • White: SW-05026-W

Shockwave S5-LW Suspension Base

The Shockwave S5-LW lightweight marine suspension base is our entry-level recreational suspension option. Designed to mitigate the shock of wave impact in light seas on freshwater lakes or cabin boats on the ocean. Constructed using anodized cast A360 aluminum with an alodine treatment and polyester powder coat finish.
